Profile

HR & Operations professional with experience in HR operations, employee engagement, compliance, employee lifecycle management, HR analytics, policy administration, and process improvement. Skilled in managing onboarding, offboarding, attendance and leave administration, background verification, employee relations, payroll coordination, and HRMS administration. Experienced in developing HR policies, SOPs, compliance documentation, and employee engagement initiatives. Strong analytical and organizational skills with a focus on operational efficiency, employee experience, compliance, and continuous process improvement.

Work Experience

Neotas , Associate - HR & Operations

11/2023 – Present | New Delhi, India

- **Employee Lifecycle & Operations:** Managed end-to-end HR operations using Keka HRMS, covering onboarding, background verification (BGV), probation tracking, and seamless offboarding. Oversaw attendance, leave regularization, and payroll coordination in alignment with Finance.
- **Employee Engagement & Employer Branding:** Orchestrated company-wide engagement initiatives (townhalls, policy roadshows, Rewards & Recognition programs, and festive events like Secret Santa and Fun Fairs).
- **Policy & Compliance Management:** Drafted and maintained core HR policies and standard operating procedures (SOPs). Drove ISO compliance initiatives by managing asset documentation, access control records, and audit evidence preparation.
- **HR Analytics & Reporting:** Analyzed Employee Satisfaction Surveys (ESS) and developed monthly MIS dashboards tracking attrition, HR ticket turnaround time (TAT), and workforce metrics to support leadership decision-making. Monitored employer review platforms to gauge company sentiment.
- **Employee Relations & Grievance Handling:** Served as the primary point of contact for HR support tickets, employee grievances, and policy interpretation, ensuring timely resolution and a positive workplace culture.
- **Talent Acquisition & Administration:** Supported full-cycle recruitment by sourcing, screening, and coordinating interviews. Managed employee asset allocation, recovery, and general office administration to ensure smooth facility operations.

KEY PROJECTS & INITIATIVES

- **Policy & SOP Development:** Created comprehensive SOPs for Offboarding, Leave & Attendance, HR Support Tickets, and Background Verification. Developed and updated broader HR policies including Compensation & Benefits, Performance Management, and Diversity & Inclusion.
- **Compliance & Training Design:** Supported ISO documentation/audit evidence preparation and designed comprehensive internal cybersecurity and compliance training presentations (e.g., portable & removable media best practices).
- **Engagement & Event Management:** Managed company-wide employee engagement initiatives and employee surveys, including organizing and tracking the Neotas Badminton Tournament and managing the Rewards & Recognition program.
- **HR Reporting Frameworks:** Implemented tracking frameworks covering attrition, employee satisfaction, HR ticket resolution, and overall workforce insights.
